

**APPLICATION FOR HYDRAULIC INVESTIGATION OR DESIGN
TO SERVE ADDITIONAL METER OR METERS**

Application # _____ for water service study with _____

Water Supply Corporation by _____

Street Address or P.O. Box _____

City _____ State _____ Zip _____

Phone _____ hereinafter called applicant.

Description of property/location to be serviced:

Has applicant been previously serviced by _____

Water Supply Corporation? _____ Yes _____ No

Proposed meter must be engineered before first approval is granted by Board of Directors or Water System Manager.

Applicant agrees to pay a fee of _____ in advance, which is non-refundable, for the purpose of engineering paper work, etc. Any added cost will be at the applicant's expense. This is not a service agreement, only an application for service study.

A time of three (3) weeks should be allowed for engineering work-ups and mailing. Any decision made by the Engineer will be final.

Signature of Applicant _____ Date _____

Due to the demand for water meters, this meter must be installed within 90 days of approval.

After the 90 days a new application will be needed at the cost of an additional \$75.00.
