My name is _____. I have applied to the Navarro Mills Water Supply Corporation for a meter and water service. I have been informed that, at this time, the capacity on the line that would provide water to me has reached a point where Navarro Mills Water Supply Corporation cannot provide service. I have further been informed that it might be 6 to 8 months before I learn whether I can get a meter and service. I understand that I will be put on a waiting list, and that no money is due to Navarro Mills Water Supply Corporation from me at this time.
